1. about

We have been involved in ministry since 1990 serving wherever God called us. After studying our marketplace degrees, we have also studied in the theological arena to equip ourselves for the work of the ministry. With a rich heritage in faith we were involved in church planting, pastoring, teaching and training believers and raising up the next generation.

Under the leading of the Holy Spirit IN TUNE - Word Worship Lifestyle - was founded by Christo & Maryna Jovner in 2011. Our aim is to preach and teach the WORD of God, to teach on the various aspects of WORSHIP and to impact people to live an abundant LIFESTYLE. Our heart is to present the Word of God with sincerity, passion, and a deep rooted revelation of the Person of Jesus Christ so that His legacy continues even stronger in the generations that follow ours.

Changing our world one person at a time!

2. partnership explained

We regard partnership to be a vital part in the body of Christ. It is biblical, compelling and still a current effective tool in spreading the gospel

Partnership has been operative since the early church in the Apostle Paul's day. The Philippians were among Paul's closest friends and most valuable partners in ministry.

Paul writes a letter of friendship in which he celebrates his partnership with the Philippians and passionately exhorts them to join him in following the example of Jesus Christ.

Phil 1:3 "I'm glad because of the way you have been my partners in the ministry of the gospel from the time you first believed it until now"

Paul understood his role as the messenger as well as the role of his partners.

Paul preached the gospel, prayed for and encouraged his partners

The Philippians constantly prayed for Paul and supported him financially. At the same time the Philippians were blessed because they got to enjoy not only the same grace that was on Paul's life and ministry (***Phil 1:7 "You are all my partners in God's grace"***) but also establish a heavenly account abounding with much fruit (***Phil 4:17 "I am not trying to get something from you, but I want you to receive the blessings that come from giving"***)

Like Paul, God has called us as the messengers for His specific purpose and we would consider it an honour to partner with you in this vision of teaching, preaching and coaching the truth of the Gospel.

3. the 5 pillars of partnership

We believe the partnership that we want to engage in is founded on 5 pillars all taken from the partnership that was modelled by Paul and the Philippians.

- a. Partnership as an association of believers
 - *We are God's people and called to serve Christ (1:1-2)*
- b. Partnership has a focussed vision
 - *Advancement of the gospel (1:5,12)*
- c. The foundation of Partnership is God himself
 - *Christ crucified (2:7-9)*
- d. Partnership share complementary strengths and resources that enable each other to grow.
 - *Servant attitude, like Jesus — lookout for your partner's interests (2:2-9)*
- e. Partnership has the tangibles and intangibles
 - *Tangibles: Sharing of information, resources and accountability (2:19; 4:10-17)*
 - *Intangibles: Bonded in love – sufferings & victories (3:10-11), encouragement & support (2:19-30) and prayer (1:4&19, 4:5-7)*
